NARRATIVE:

Evan Arnold has an extensive adult criminal history that began at the age of 19. His convictions include multiple cases of assault with a deadly weapon causing great bodily injury, felon in possession of a firearm, possession of narcotic controlled substances, DUI with specific prior and petty theft. He has served multiple incarcerations, the longest being a 2 year term for assault with a deadly weapon causing great bodily injury. Arnold was released from state prison to the supervision of the Los Angeles County Probation Department on May 15, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Arnold qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
